

# Helping you Help your Patients

with advanced clinical laboratory solutions

GASTROINTESTINAL  
IMMUNOLOGY  
ENDOCRINOLOGY  
SPECIALTY  
NUTRITIONAL

**Every patient is different.** Genova's custom panels are designed to assess the multiple contributing factors for a particular condition or clinical presentation. Often the answer cannot be found in a single biomarker. Our unique multiple biomarker synthesis provides you with a comprehensive perspective not available through traditional laboratories.

Provides analysis of key nutritional biomarkers.

Provides actionable clinical information for the management of gastrointestinal health.
